WORK EXPERIENCE

Grader, Arizona State University **August 2023-Present**

- Grader student's assignments in a fair manner in the dedicated timelines.
- Assisted Students and provided feedback on all issues and provided them feedback whenever necessary.
- Maintained all records accurately and addressed the issues raised by students.

Technical Consultant, NIT Bhopal, India **August 2016 – August 2018**

- Assisted users whenever they have issues with their installed software such as AUTOCAD, MATLAB and whenever their accounts have blocked due to any reason.
- Assisted in adding a wide range of features to the college website.
- Maintained student accounts and data on a centralized database (SAPHANA) for easy access.

Software Engineer, Capgemini, India **August 2019 – July 2022**

- Developed a range of RICEF components from scratch such as Adobe Forms, Reports, Module Pool programs, CDS Views, Data Dictionary objects, Function Modules, Interfaces and IDOCS.
- Worked on 2 End to End SAP CRM implementation projects and coordinated well with the clients along with leading a development team finishing the work in stipulated time.
- Worked on SAP CRM PI (Process Integration) from ECC to S/4 HANA.
- Engaged in Production deployment and swiftly resolved the issues that have encountered from both developer as well as business perspective.
- Acted as a primary contact and developed and delivered technical proposals to clients and gave them guidance.
- Documented technical issues and solutions and approaches for future purposes.
- Migrated data from legacy systems to HANA Database in a SAP CRM project.

INTERNSHIP

Software Developer Intern, Bharat Sanchar Nigam Limited (BSNL) **May 2018-June 2018**

- Coordinated with team in working on modulation and demodulation techniques and 2G, 3G wireless standard (GSM, CDMA).
- Worked on a Routing Mechanism, that helped in the effective transfer of calls while in movement, resulting in lesser call drop rate.

LEADERSHIP & ACHIEVEMENTS

- Handled the role of development lead for 30 days where I had done sprint planning, conducted daily scrums, sprint reviews and improvised the processing gap across teams.
- Received Project Star award for outstanding performance in development of Webservice objects.
- Handled the role of head student volunteer in the Training and Placement cell of NIT Bhopal.
